

Crowcon Technical Note

Document Reference: GEN113
Document applies to: Detective Net Wireless Device
Release Date: 14th August 2023
Subject: Notice of Obsolescence - Detective NET Wireless Device

Due to a component obsolescence in the wireless module for Detective Wireless / Detective NET product, the Wireless device ("Detective NET") has been discontinued.

Production has stopped and spare modules will no longer be available - we are unable to take any more orders for the product, as of the date of this Notice.

The Detective+ continues to be available, with wired connections available for inter-connecting units.

Technical queries will continue to be supported through our Technical Support team.
