

QUALITY POLICY

Working as one company, driving continual improvement throughout all that we do to deliver Operational Excellence by providing safe and effective solutions that meet customer, and key stakeholder needs and expectations. This will be undertaken whilst maintaining high standards of quality and compliance with worldwide regulatory & legal requirements.

The Quality Policy will be supported by a strategy translated to measurable objectives for all relevant levels of the Company. These measurable objectives will be reviewed by Top Management annually and resources will be allocated to deliver the objectives.
